Cost per golfer will be \$100.00. If you cannot participate in the outing and would like to attend the dinner, your cost will be \$50.00. Forms for

both the outing and/or dinner are available on our website and enclosed in this newsletter.

To make this event successful, we will produce a program which will include some BLSAA information and advertising. We will sell ads for the program in sizes: one-quarter page, half page and full page. Samples and ad sheets are enclosed in this newsletter.

The proceeds from this event will help offset educational costs for those in the high school vocational program. Please pray for vocations.

THE ALBERT F. FRANC JR. MEMORIAL SCHOLARSHIP

The Bishop Latin School Alumni Association held its annual John Cardinal Wright Awards Dinner at Tambellini's Restaurant on April 30. Patrick Franc, an alumnus of the class of 1973, announced the establishment of the Albert F. Franc Jr. Scholarship. This scholarship, which is named in honor of Pat's father, would be designed to begin with the upcoming school year this fall, at \$1,000. Projecting to 2010, this scholarship would compound to \$4,000 per annum to sustain 4 concurrent High School students in the Diocese of Pittsburgh's Affiliate program.

Albert ('Pat') F. Franc, Jr. (b. 4/14/27 / d. 8/13/83) came from a blue-collar background growing up in Pittsburgh and was the father of nine children. Through hard work and countless sacrifices in supporting such a large family that included six sons, his dream was to provide a pre-eminent secondary

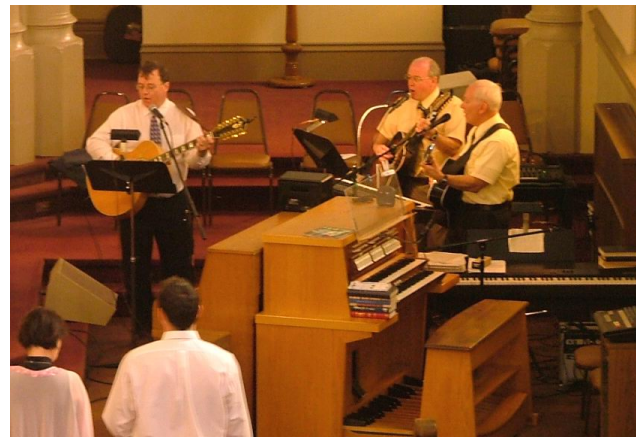

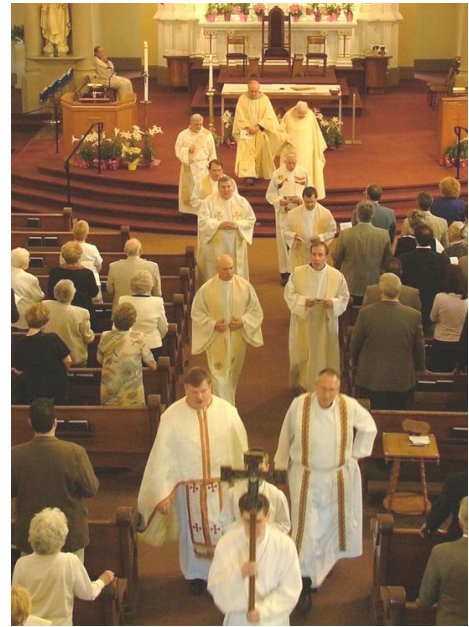

education that manifested the best in Catholic values and faith. Striving to navigate through the numerous financial struggles of providing for such a large family all nine of his children were educated for the most part in Catholic schools (elementary through college). Throughout his full yet shortened time on earth Albert F. Franc, Jr. lived an exemplary life. He was devoted to his faith through active participation in his church and was an ardent supporter of Catholic education. He was particularly a champion of the underdog and the downtrodden in many ways and was generous beyond words with his wisdom and influence to both his family and fellow man. These values have been passed through to his lineage in many ways in the years that have passed.

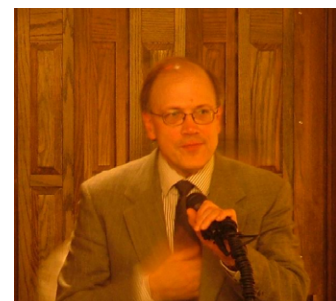

Patrick has established the inaugural award of \$1,000 in the name of his father which would be awarded annually to a deserving young man who is

about to enter high school and is seeking similar rewards of a Catholic education with a potential interest in entering the priesthood as a vocation. Ideally the successful candidate would enter a Pittsburgh-area Catholic high school, commencing with the school year of 2006-'07. The candidate would also need to demonstrate financial need. The candidates will be nominated by the Bishop's Latin School Alumni Association and Father Thomas Burke, Co-Director of Vocations of the Diocese. All candidates would be asked to submit a written essay as to what their interests and goals are at this stage in their lives with regard to continued service to God and their fellow man.

A special thanks to the entire Franc Family for their generous donation for the future generation of both priests and laymen dedicated to service to God and the Church.

Keep in your prayers
